“ *Judy and I were always good friends which may seem odd to some, considering we were both married to Mike Hansen, but at different times! Judy and I talked and visited quite often, and believe it or not, she would ask me to "talk to Mike" sometimes, when he wouldn't listen to her!! We always got along, Mike, Judy, and I, and attended family functions, and did what was best for the entire families. I know Mike and Judy are now happily "together again". My sincere concern, and sympathy goes to her family. Deb Waitner*

“ I really miss you, though we were not as close as we could have been, you were my older sister and you made time for me whenever I called, and you were at my wedding to Ray which meant so much to me and Mom. Love to all the family and friends.

“ Judy...I love you so very much. I suppose my only peace with all of this is knowing that you have walked through the gates of Heaven and saw my Dad and said Hi Hon Buns! Dad's reply asking you where the heck you've been, just like old times, you are again with the love of your life. I am so very sorry for all of the family's loss, as I am a part of the family...You will always be loved and missed!
