Dear lord,

Please welcome Judy into your arms. Judy, a worthy soul, has come to claim her seat beside you now, fulfilling the duties that were set before her, by you, our lord.

Lord, please give thanks to those of us who have gone before leaving a beacon of light for Judy to follow.

Lord, may I ask, and pray for the rest, who have yet to follow.....

Please Lord may I ask that we as mortals embrace Judy's gift of enduring strength, this loving woman, who is our Lord's Child, baptized as Judy Ann on earth.

Lord, I know this life is not promised, it is not without trials and pain, it is delivered without Immunity or mercy to us all. Only through trust in your lord can we endure as Judy has done, knowing it takes deep trust in your lord.

May we, as followers and or, all those whom Judy has touched, with her smiles and Love, endure the world. Borrow Judy's strength and or legacy if the need maybe.

Let us all... Continue to love so that all can become the Next Guiding lights.

May Judy's legacy of beauty, strength, and passion she left us live on forever.

May it be Our guiding light to follow.

Amen!
