

Karl H. Meyer

October 23, 1934 - December 25, 2020

Karl H. Meyer, 86, of Kalkaska passed away Friday, December 25, 2020. He was born on October 23, 1934 in Cudahy, Wisconsin, to the late Clement J. and Margret E. (Wassenberg) Meyer. When Karl was 8 years old, he and his family moved to Michigan. Karl was the oldest of 7 children and graduated from Mt. Clemens High School in June 1955. He married the love of his life Betty Jane on November 14, 1959 and together they raised 5 children. Karl proudly served in the United States Army during the cold war and was honorably discharged on July 31, 1963. After retiring from the L'Anse Creuse School District in Macomb County, Karl took up golf. His love for the game grew and he would play any chance he could get. For the past 6 years, Karl lived with his son and daughter-in-law, Dean and Paulette Meyer in Northern Michigan. This gave him the opportunity to visit and play many beautiful golf courses in the area and beat his son at a golf game or two. In his spare time, Karl liked to play solitaire and work on puzzles. He always looked forward to making yearly trips to Florida to visit his sisters and never passed the opportunity to eat at Olive Garden. He will be greatly missed by many. Karl will be lovingly remembered by his children: Dennis (Albina) Meyer, Debbie Meyer, Dean (Paulette) Meyer, Donna (Joe) Zabolotny, Dale Meyer, 9 grandchildren, several great-grandchildren, siblings: Joan Yax, Carole Louie, Judy (Raj) Matkari, Tom (Becky) Meyer, Gary (Patty) Meyer and Paula Hade. Karl was preceded in death by his parents, wife, and grandson Kyle North. In lieu of flowers, donations may be made in Karl's honor to the Alzheimer's

Association of Greater Michigan. Arrangements have been entrusted to
Kalkaska Funeral Home and Cremation Services.

“ *I have great memories of all the time I spent with. The golf cart trips around the neighborhood and the time we got lost. You sure enjoyed living up north with Dean and Paulette. The fish fry on Friday nights and darts at the Eagles. I still can see you on your lawnmower riding around the house. Karl enjoyed his puzzles and playing cards. I will miss you dear friend and will see you on the other side.*

Lucky keeps looking for her grandpa & Charlotte sitting in your chair probably waiting for you to say shoe kitty shoe ! The hardest part is that we never got to be with at the end. Lucky never got to say goodbye to her grandpa that she has been with for 6 yrs. You took Great care of her while we where at work. “ That terrible disease robbed Karl of his quality of life he is now in a better place no more suffering. He can enjoy unlimnited golf in heaven wth his wife. Paulette I know you and Dean did your best to care for Karl to ease his suffering. A caretakers job is never easy. The required extra care plus horribly watching the person you had great memorioes and fun change inbto a different person. God bless Karl and your extended family.
