“ I lite this Candle for the family. to see it glow
watch it dance
when you feel low
think of me
think of the light
I'll always be there
day or night
think not of sadness
that I am not here
think of gladness and joyous cheer
I have not left you
I am not gone I 'm here to stay
to watch all of yous
so when you light a candle and see it glow
watch it dance in your heart you will know
that I would never leave you
when the candle flickers know that
I am watching over you and still burn bright.
