“ Lorann was one of a kind for sure, and I enjoyed her so much, I think she believed we were kindred spirits cause we were in similar situations in our lives. I loved her dearly & enjoyed our conversations on the phone in SC, and our many visit's golfing and socializing in Kalkaska. She will be remembered fondly by me, and I'm sure a lot of people that knew her well. I will miss her, and think of all the good times we shared.
