God has has taken another Angel to come home with him. There are really no words to say. As I sit here with tears in my eyes thinking of what to say There really is nothing i can say.. No crying will bring Lorrie back to us. And on a Happier note I am so proud to call Lorrie my Friend. We had had many talks about our children and our lives growing up.. Lorrie was a very caring and giving person. And there to help anybody that needed her. May God Bless all of the Family. Sending Prayers to All..

“ *Lorrie was a great friend...true and kind of heart! She used to pick me up for school in her little red rabbit, I think it was. We shared many great times with our teacher, Mrs. Wright and fellow BOEC girls 😊. Our kids attended the same school as we did. Sad Lorrie is no longer her with us but I am Faithful we have a brand new Angel in Heaven!🌹*
