“ Dear, Thomas family,
Having recently learned of the loss of your loved one I extend my deepest sympathy to you. During this difficult time I wanted to share the hope found in the Bible, the hope of the resurrection. Jesus stated at John 5:28,29 "The hour is coming in which all those in the memorial tombs will hear his [Jesus] voice and come out." And at Revelation 21:3,4 it states that there will be a time when "death will be no more." These scriptures give us hope for the future as respects to our dead loved ones. Those scriptures have brought comfort to me and my family and I hope it does the same for your family. Sorry for your loss.
