

Lynneth Marie Rinckey

January 16, 1955 - April 28, 2022

Lynneth Marie Rinckey, 67, of Kalkaska, passed away Thursday, April 28th, 2022 peacefully at Munson Medical Center. Lynneth was born in Detroit to the late Kenneth and Marilyn (Boland) Smith on January 16th, 1955. She was married for over 20 years to her husband Jon Rinckey. Lynneth was a very loving wife, mother, grandmother, and friend. Out of all the amazing moments in Lynneth's life, she loved nothing more than being a grandma to her three wonderful grandchildren. She cherished every moment with them laughing and having fun. At grandma's house, there was always a movie to watch or a board game to be played. If grandma needed help, the grandchildren were always happy and eager to volunteer. Lynneth was known to constantly wear a smile on her face. In her free time, she enjoyed gardening and tending to all her plants, but her true joy was reading. It is said that you could always find Lynneth's nose in a book. Lynneth had a very close-knit group of friends that at least once a year would get together and have a girl's trip. Lynneth will be lovingly remembered by these friends, her husband, daughter Donna Delcambre, grandchildren Lauren, Naomi and Kenny; great-grandchild Shawn; and sister Donna Fox. She was preceded in death by her parents and son Charles Kreger. Memorial contributions may be made to the family of Lynneth. Arrangements have been entrusted to Kalkaska Funeral Home and Cremation Services.

“ *Fifty some years ago, two teenagers were hitchhiking from Torch River to Rapid City. I, also a teen, offered them a ride. Thus began a friendship that has endured all these years. My sister of my heart, you have gone on an adventure now where I cannot yet join you and from which you can't turn around. But I can't wait to hear about it when I do get there and you can show me around. I will love you always.* ”

I remember the very first time I ment Lynne. I was walking into Blair elementary and she stopped me and asked if I was the girl scout leader and I told her yes. Then she asked if I still need someone to help. I told her yes and without any hesitation she said yes and we've been friends every since.
