“ I didn't know Marjorie very well. I was delighted to visit with Marjorie, Nola, Lynn & Doug in June of 2015. It was such a joy for Phyllis Brown, Karen Germaine and I, (Jan Fritch) to spend several hours with you talking about family and sharing stories. My Dad, Grant (Brownie) Fritch was Marjorie's uncle. I heard many stories while I was growing up. My Dad thought very highly of your Mom.

I seem to remember a time when I was about 9-10 years old that my dad, mom & I stopped to visit your parents. (1949-1950)

I enjoyed getting her Christmas Cards & notes every year. I hope that she was pleased to receive my annual Christmas letters.

May feel God's loving arms around you during this time of loss.

Love & Prayers, Jan Fritch

“ I remember Grandma making homemade ice cream, especially this one time I was sitting at the kitchen table eating it, Grandma had let her two foxes upstairs and had gone outside to talk to my parents. I sat there slowly eating the ice cream while the foxes sat on her couch watching me. How many kids can say th ate ice cream with foxes.
