“ Mark, Big Mac and I were always together through high school. We lost touch after school but they were never out of my thoughts. We had some great times and got in our share of tight spots, miss you both, Rest in Peace and save me a fishing spot.##imported-begin##Mark Roster##imported-end##

“ I knew Mark from the bowling center. Mark was a pretty quiet man, but once you got to know him, he was a good friend. We did not always see eye to eye on the lanes, but competitors rarely do. He was always good for a story when I would see him in the store where I worked. I lost touch with him over the past few years, but he was not far from my thoughts, especially when remembering the trip to Myrtle Beach we took many many years ago. We had too much fun. My deepest sympathy goes out the the ones who loved him...family, friends, and others. Rest in peace my friend.##imported-begin##Eric Porter##imported-end##
