

Marleah Hoxsie

January 5, 1951 - November 17, 2014

Marleah Hoxsie, 63, of South Boardman, passed away on November 17, 2014 at Munson Medical Center as a result of sepsis. After fighting cancer and being free for 4 years it did recur, but didn't cause her death. She was born in Flushing, MI on January 5, 1951. Marleah graduated from Chesaning High School in the class of 1969. She then attended the University of Michigan and went on to get her EMT Certificate. She always loved people, was very considerate of others, and had a knack for being meticulously organized; she took in foster children and would keep in touch with them through the years, and many friends that she kept track of through the years. She was also very involved in community civics, the American Legion and Ladies Auxillary. Marleah enjoyed many things in life; especially drawing, quilting, crocheting, word searches, Sudoku, and horses. Mar met Tim Hoxsie at the Long Branch Saloon in Houghton Lake at a benefit for some mutual friends. They had both come from failed marriages and came to find each other. In one of their many adventures; they were out walking and a tree fell in the woods, they both confirmed that yes it does make noise. Even though she didn't care for bugs or fishing she would always go with Tim just to enjoy the time. Mar is survived by her devoted husband Timothy Hoxsie; her children Eric (Stacey) Bemiss of St. Clair Shores, MI, Lynette Fluery of Colorado Springs, CO, and Noel (Shelly) Bemiss of Chesaning, MI; grandchildren Jordan, Ariel, Sierra, Adam, Conner, and Savannah; four great grandchildren; her siblings Gail (Dan) King of Florida, Jeff Parker of West Branch, Roy (Carol) Parker of Traverse City,

Linda Greer of Missouri, and Tony Parker. She was preceded in death by her adopted parents Dale and Mildred Parker; birth mother Norma Parker Gordon, and sister Elda Margerie Parker. A graveside service will be held at 1:00 pm on Saturday, June 6, 2015 at Boardman Township Cemetery; a gathering will take place immediately following at the American Legion Hall in beautiful downtown South Boardman. In lieu of flowers memorial contributions may be made to the Wounded Warrior Project or the Cherryland Humane Society. Arrangements have been entrusted to Kalkaska Funeral Home and Cremation Services.

“ I have a collection of Angels, most of which are displayed in my home at Christmas. Marleah had made a crocheted one for my grandmother. When grandma went to heaven I was able to keep her Angel. Every time I set it out I think of her kindness and the special times we all shared. I will miss her, but am glad to have had her in my life. God bless you Tim. Hugs and prayers, Sue Bryant
