“ Mickey will be missed. The "Friday Lunch Bunch" enjoyed our time together. Sent her off with good wishes our last Friday together as she was going to see family on vacation. Never thinking that her trip would end as it did. Prayers and comfort to the family.

“ Mickey and I were great friends and loved spending time together at Torch Lake. She loved the cold water as much as myself. We had many good times together and with other special friends. Sharon

“ We who were close friends of Mickey -- West End kids from Keyser -- send our condolences to her family. We're going to try to make the service in Keyser. My favorite memory is when the two of us got the giggles in 7th grade when the bishop was tapping kids on the cheek during confirmation at Church of the Assumption -- a long time ago. By the way -- she has many, many friends and classmates in Keyser. Could you please send the obit to the Mineral Daily News Tribune?

“Mickey and I were great friends in Keyser. West End kids. She had/has many friends there. She and Willa were special to all of us. Please send this obit to the Mineral Daily News Tribune in Keyser, W.VA. She has many friends from all those years in school (and the time we got the giggles in front of the bishop at the Church of the Assumption). Classmates want to know this. My wife and I, classmates, are going to try to drive from Charleston to Keyser for the service. Many other classmates are interested. Thanks. Great, great, funny, lady. She was special to all of us. When I see Mickey, I see her smile. -- jack canfield, class president, KHS, '59
