

Megan Marie Brower

February 22, 1987 - December 24, 2021

Megan Marie Brower, 34, went home to be with Jesus on December 24, 2021 in her home surrounded by her family. Megan was born on February 22, 1987 to her parents Steve and Sharon VanWieren. Attending Cornerstone University in 2005, Megan met her future husband Christian in the spring of 2008. After being married October of 2009, Megan and Christian trusted in their God to move to Traverse City to continue their life and ministry. Megan loved ministry in the form of prayer groups, hospitality, and even Awana. She was a constant spiritual encourager to the doctors and nurses she encountered over the years. Her biggest ministry though, was to her family and children, who would catch her daily reading her morning devotions by the fire. Megan epitomized Romans 12, as she was always joyful in hope, patient in affliction, and faithful in prayer. Megan is survived by her loving husband Christian, daughter Charlotte, son Jonah, parents Steve and Sharon VanWieren, Brother Mark (Liz) VanWieren, In-Laws Steve and Jan Brower, In-law siblings Ben (Jen) Brower, Aaron (Mary) Brower, David (Jenn) Brower, Brent (Anna) Standfest, Jamie (Sarah) McCauley, and 17 nieces and nephews as well as many other loving family members and friends. Visitation for family and friends will be held from 5-8 PM December 28 at New Hope Community Church. Funeral Services will take place at 11 AM Wednesday, December 29 at New Hope with visitation 1 hour prior. Memorial Contributions in memory of Megan may be directed to New Hope Community Church Missions or Mission India. Arrangements have been entrusted to Kalkaska Funeral Home and

Cremation Services.

“ I got to know Megan during our trip to Israel. What a courageous woman she was during that trip. She had only been out of the hospital for a little over a week and traveled across the world to learn and see where Jesus walked, preached, and lived. She kept up with everything we did, never complaining or hesitating to join us in whatever we were doing. She was such an inspiration to all of us. Jesus loves you, Megan, and so do we.

“ We were immediate neighbors to Megan’s family since her birth. Her mom, Sharon, is a special friend. We all have shared delight in our children’s accomplishments, together. We have joyful memories. Megan has always been kind, loving, and huggable! Her smile is ingrained, never to be forgotten. Megan has been a significant part of our early family lives. Our “girls” and all 4 homes, side by side, were our village. We all loved them all! We cherished our time together. We have been blessed with the girls and their bond throughout their years in school. I’m saddened for my friends and families that I hold dear, as we process her passing. Peace and love to her beginning friendships. Love and understanding to her current family and friends. May you find comfort. Megan has been a gift to us all. Sincere condolences to everyone who she has touched with her loving spirit. Jane Pylman

“ *Dear Families,
Meggie was an angel on Earth. There is no other way to describe her, and you already know that. I knew her as a young girl, our neighbor, back in Wyoming. She was simply a joy to know. After high school until now, my sister, Pat has kept me up-to-date through Sharon, a connection I have appreciated.
I pray for peace, and sweet memories for you.
In Christ alone,

“ I am shocked to hear this very sad news. Megan and I worked together for a few years and was a joy to train her to take over my job. My sincere thoughts and prayers to her family. She fought hard to overcome her illness and was truly loved by all those she came in contact with

“ *I'll never forget our first meeting. When I realized she was the daughter and granddaughter of long time friends, and as her supervisor, surprising her with knowledge she couldn't have guessed I knew. Then her mom stepped into my office as an old friend. The surprise on Megan's face could only be described as perplexed. Dutch bingo at its finest. Such a great young lady to ultimately work closely with and get to know well.*

“ *Megan was such a Blessing! I loved knowing her and being part of her life! From the time she was diagnosed with breast cancer she was always very positive. I never heard her complain about anything. She was such a light for the Lord! Her loving heart for her children and her husband! She loved the Lord and it was obvious in every part of her life. I will miss her very much. My heart is saddened for Christian, the children, her parents and in laws. She's resting in the Lords arms now so that is so comforting, no more suffering!*
