“ I didn't know Melissa long, but I will never forget her. She was genuine, funny, brave, smart and sweet. She had spunk and spirit, and I wish I could've known her longer. I love thinking that now she is pain-free, happy and at peace. Blessings and condolences to Brent and all of her family.

“ Melissa was a very dear friend of mine. She had a kind heart and would do anything to help you. We had many talks together and many laughs. May you fly high my sweet missy. I will miss you so much!!
