“ I was fortunate to be Merv's hospice nurse for the last few months of his life and I enjoyed spending time with him. Merv enjoyed plants and trees and his room at Tendercare looked like a jungle. Bev took him shopping a couple of times and he loved shopping and getting out. Merv was very appreciative of anyone willing to spend time with him and talking to him. I will miss seeing him and I am glad to have known him. I am sorry for your loss.
