“ *My DEAR friend you will be so missed, So many memories. My first friend when I moved up here .Because of you I have the position in the township, would never have run otherwise. I can still hear your laugh and you coming over and deciding what color of nail polish to put on. You relaxing and resting when you came over. Then the winter we had a meeting in Gaylord and I drove home and got stuck in the deep snow but we got out.*
My family loved you dearly too. You did so much for the Township and thank you for the knowledge you passed on to me. YOU WILL BE SO MISSED I LOVE YOU Shelly LOVE YA See Ya.

“ Shelly was my babysitter when I was 10 years old, she reached out to me last year on Facebook and asked if I remembered her, I responded of course! I'm just sorry I didn't get the chance to tell her what her kindness meant to me, but some how I know she knows.

“ *I'm so sad to hear Chelle passed away. She connected with me on Facebook a while back. She was my bus driver and I remember her yelling "shut your pie holes"! She had such a good sense of humor and was extremely kind. Sending my condolences to her family and friends.*

“ I was very sad to hear about the loss of your sister, aunt and friend Shellie. Shellie and I shared more than a few laughs a few years back. One I will never forget is coming out of a dollar store in Waterford, Mich. with \$99.00 dollars worth of items. We laughed so hard trying to fit all the stuff in the car. Another time I took over 300 hundred bottles back for Shellie, and removed bottle caps form most of them. When I told her about taking off all those caps (I still had red lines on my hands) She just said with that grin, Oh Honey you did not have to take the caps off at that store. So all we could do was laugh about it. Pat Kimbrough
