“ So sorry to hear of Nel's passing. She was an asset to the Fife Lake community and always had great input with the Chamber of Commerce. Always pleasant, always positive. Condolences.

“ My heartfelt sympathy to all of Nelle's family. I worked with Nellie at the Quality Inn in Traverse City and was sad to see her death notice. She was very pleasant to work with and gave her all. We also shared a couple of books for reading outside of work and enjoyed swapping pet stories.

*Sincerely,
