“ *RIP, My eyes filled up with tears as I heard the news.
It never occurred to me how much I could lose.
I find myself wishing that it wasn't true
Every time I think about you, pain is all I feel.
Tears fall from my eyes; I can barely see,
But my heart tells me that you'll always be with me.
I'm glad you feel no more pain
I will love and miss you forever,
Until the day we are again together.
Together in that perfect place above,
Filled with caring, sharing, and love,*
