“ I ment Pat at the Kalkaska Senior Center about 20 years ago. Pat was on the go a lot. a going to functions at her church or the Senior Center. Every time she saw an animal her eyes would light up and she would get so excited. There were very few times she would pass up a chance to say hi to my dog and make a fuss over her.. Pat enjoyed playing cards and going to garage sales and thrift stores. Pat would get so excited when her Grand daughter Tammy was coming over who was very attentive to Pat and her needs. I do miss seeing Pat and her beautiful smile. RIP my friend.

“ I too am a angel lover! She was such a nice lady and I had the pleasure of working with her at Kalkaska Hospital. I went to school with Larry and I cared for her when she came to the Radiology department. Hugs and comfort to the family Fly with the angels my friend.
