“ I wrote a message earlier but seemed to get lost,

*Percy, He was one of my favorites of all,
The memories are endless, The things we ran up against will be
remembered forever here at deer tracks ranch.
We both helped each other out, One day, he had to walk 2 miles to
get back from where he got the track machine buried in mud, up to
waist high, on drivers seat.*

*Phil Stewart and I helped him for hours to get out. That look on his
face sitting there in that mud was precious. (he had the Look of,
Look what I did now !!)*

*He was like a father and great friend to me, I respected him and his
opinions. We worked very well together.*

He is a legend here at deer tracks ranch, and will be missed forever.

“ I helped him get unstuck many times, mostly from miles away and had to walk back to get help.

One time, he was so deep with the small track machine, that the water was waist high in drivers seat. Phil Stewart will remember that one too. We kidded Percy about that for years.

I can still see him sitting there with that grin of OH CRAP !!! how did I do it again.

He helped me out of some tight spots too,,,,,,,,,

I have endless memories and laughs, he was like my father to me, just looking at him, I knew what he was thinking, and likewise.

I will miss him dearly,,,,,, great man, His legacy will live forever here at deer tracks.

“ I'm sorry for your loss Joyce and family. I always enjoyed talking to Percy and hearing what he had to tell about the outdoors. He was a very knowledgeable man about anything outdoors and especially deer. He will be missed.

“Percy and his family were like our second family. Percy and Joyce and my parents, Mutt and Helen Perrigo, seemed to find plenty to do together. He always had a smile and hug when we'd see each other somewhere: whether it was while Joyce was cutting daddy's hair, at the funeral home or wherever it may be. He was a true outdoorsman and shared that love with many. Thinking of Joyce and family with love and prayers.
