“ Sorry to hear of Dick's passing. I have known Dick pretty much all my life. His grandparents, Warren & Sophia Huffman were our neighbors. Great people!! Dick was a rather quiet person, and he had a quiet sense of humor. Always enjoyed visiting with him. The Lewis Family was so nice. God Bless you Dick, may you rest in peace. *Patty Rodgers*

“ I was stationed at Ft. Knox when Dick came in for basic training. I had my car on post and would pick him up and visit because he was missing home. Sorry to hear of his passing.
