“ We will always have the love that we shared through the years. We will miss him, but know that he is now with mom, dad & Leona. They are all together in heaven telling us not to worry. We will see them again.

“ I will greatly miss seeing Robert walking his dog around the neighborhood. I didn't know him well, but he always smiled, waved, and stopped for a few minutes when we would meet. He was a lovely man who always made me smile. The neighborhood will definitely be different without him.

May your family find peace during this time. Know that Robert made a difference in my life just by walking his dog. Sleep with the angels, Robert.
