“ So many wonderful memories of my cousin. I remember his science projects and how I was amazed by him. I was so happy that we could be friends as adults as well. I can still hear him singing "doo wa diddy diddy" .....I will never forget all the fun we had. He was the best. I will miss him . Love , Romaine

*Bob and Kathy were the funniest couple I know. They were matched to the T for playing off each other . The time the came to visit me in Fla has always remained my favorite visitors to this date. They had Kelly with them. Bob will always be remembered fondly and with a smile when thought if. Rest In Peace.*
