

## Robert L. Stone

May 23, 1944 - March 16, 2022

Robert L. Stone, 77, of Fife Lake passed away on March 16, 2022 at his home. He was born on May 23, 1944 in Plainwell, Michigan to the late Marian Russell and Max Stone. Robert was a plumber before retiring in the early 2000s. He built four houses, three for his family and one a cabin in the Upper Peninsula, his most favorite place. He is remembered by his family as a hardworking person with a witty way with words. He is survived by Patricia Stone, his wife of 57 years, son Trevor Stone of Idaho, daughter Tammy Gordon of North Carolina, and daughter Tawni Scott of Rapid City, Michigan as well as daughter-in-law Angela Stone and son-in-law Robert Scott. His grandchildren Travis Scott, Isaac Stone, Ian Gordon, Tanner Scott, Maxwell Gordon, Andrew Stone, and Jacquelyn Scott cherish his memory. His family encourages that any memorial donations be directed in his name to a charity of the giver's choice. Please visit [www.kalkaskafuneralhome.com](http://www.kalkaskafuneralhome.com) to visit Robert's tribute page and share a memory with his family. A private memorial ceremony will take place at a later date.

“ I remember when my husband, Randy was helping my dad and Bob build the house in Fife Lake. We were camping out in the woods while the house was being built. I remember in particular working on “ engineering “ the rafters to meet the local building code. Everyone, including me worked on them to keep things moving. Condolences to you and your family, Pat.
