“ I knew Mark from the bowling center. Mark was a pretty quiet man, but once you got to know him, he was a good friend. We did not always see eye to eye on the lanes, but competitors rarely do. He was always good for a story when I would see him in the store where I worked. I lost touch with him over the past few years, but he was not far from my thoughts, especially when remembering the trip to Myrtle Beach we took many many years ago. We had too much fun. My deepest sympathy goes out to the ones who loved him family, friends, and others. Rest in peace my friend.##imported-begin##Abu##imported-end##
