“ I am sorry to learn of Sandy's passing. My sincere condolences to all her family. Sandy and I were in school together. She was a sweet, but shy lady who you couldn't help but be drawn to. We kept in touch after school for years, but as time would have it, we didn't get to converse or see each other that often. I had no way of contacting her after she moved from Gregg Road. I know how difficult the loss of Duane was on the family and then the passing of Roy who had been our neighbor all my childhood days and beyond, and he was Sandy's rock.. I am just sorry we never got to reconnect. To her family, I will say, she was a very loving soul, and I know she loved you all deeply. Hold on to all of your wonderful memories and draw on them as they do help. God Bless each of you! May you rest in peace Sandy.
