“ We were saddened to learn about the passing of Scott. Have many fond memories of all of you when you were living in Detroit (next to the Rom's (sp). Was glad my late mother, Mary Lengyel, kept in touch with you. Unfortunately since her passing we have lost contact. Will try to be in touch. May all your fond memories you shared remain with you. *It's been so long since I've seen Scott...I wish all of us cousins could have spent more time together as adults...we always had fun and lots of laughs. I'm sure he will be missed so much by his wife and children. My condolences to you.

“ I am so sorry to hear of Scott's passing. Although I haven't seen him since we were children, he was my cousin. Prayers for his soul that he is with his Mom and siblings in heaven.
