“ *Sheila was the Aunt I never met (since babyhood) but later, over many years, became a close pen-friend with whom I shared my innermost feelings, as she did with me. I will always remember her as being a soulful, deep feeling person, mis-understood by some. I will deeply miss receiving her letters.*

*I will miss you Dear Sheila. Rest in peace.*

“ *Dear Sheila, you will be sadly missed. I have felt so close to you after writing to you for over 30 years, even though we never met face to face. I am so glad to have had such a very special Aunt.  
Lots of Love
