“ We had lost touch with each other many years ago but We would hear from time to time some news of Sherry and her family. I see from friends pictures and notes that she was loved and important in many peoples life. I Have fond memories of Sherry and her folks back in the day. I am shocked and greatly saddened to hear this news. Health issues prevent us from attending her service but our thoughts and sympathies are with you all. Dan and Marilyn Pagel

“ We are very blessed to call Sherry a friend and neighbor. Sitting on the deck with Mark and Sherry in the summer time felt like being on vacation. We have so many fond and fun memories of Sherry, like her wearing Halloween socks on Christmas! Our thoughts and prayers are with Mark, Shannon and the entire family. If there is absolutely anything you need please don't hesitate to ask. Sherry was always there for her friends, and it was an honor to count ourselves among them. --Jeff and Angie Koon
