“ Ruth Ann and family members:
I was so sorry to hear about Stanley passing. Because we were unable to have our Aldridge reunion this past summer, I did not get to see him and chat for a few minutes. But, I feel I was lucky to know such a kind relative and I will miss him. I am in Florida and was unable to attend his service. Please know that you are in my thoughts.

“ Stanley was such a fun man. Always trying to “pull my leg”, get me to believe in his shenanigans. Sometimes he succeeded! Thoughts with the family on your loss.

“ As a child, I knew Stan well during his time at the County Road Commission with my father. He was always fun to be around. In later years I would have the opportunity to see him when we visited friends at his adult foster care home. My thoughts and prayers are with the family at this time. May you find peace and strength in God's care.

“ I'm so saddened to hear of Stan's passing, I was just thinking about him the other day and wondering how he was doing. Came across some pictures of our float when we were involved with the "Concerned citizens for a better government". Rest in peace my friend and Thanks for the memories. My condolences to Ruth and the rest of the family, he was a good guy.
