“ So sorry for your loss. I enjoyed working with him at Dan McCormick's. He always had a smile on his face and would joke around. When we would get together for family events he was friendly and caring of your life.

“ I will never forget our times at Bear Lake , I was a single mom just trying to take my kids on a vacation !! I couldnt light a fire and here came a kind stranger with his " Boyscout" method , he did so much for us and taught my kids so much, fishing in the seedbeds , Tommy swam across the lake at Bubs urging 😊 These are the best memories of there childhood, all thanks to Bubba !!

“ *My sincere condolences to the family. I will miss our "safety" meetings at the Moose Lodge and the conversations where WE solved all the problems in the universe! So many memories Bubs, I shall cherish them until we meet again and then relive them with you. You are at peace now and pain free and I know you are watching over us all. Rest in everlasting peace.*

“ *Bubs lived with us for a while and during that time I came to think of him as a brother. Someone older who would have my back from the bullies, which he did, and someone to prank and bug me all the time, which he did too. I have always in my heart thought of him as my big brother and he was the best! Love you so much cuz.*
