“ My sincerest sympathies to Tammy’s family. I was not aware that she had passed. Many of my memories of my days at country night have Tammy in them. We always had a good time together with our group of friends, and Tammy was always the life of the party. One of my favorite memories of Tammy was when we went to the Shania Twain concert. Tammy let out one of her screeching screams and Shania actually stopped the concert to find out who did it that was so great and Tami was so proud. Will miss you, Tammy.
