“ *When someone we love dies,it is beyond our earthly comprehension.
Sadness is mingled with the joy of heaven. I am so sorry that Teresa had a life that was cut short. She will now have fireworks forever,with the colors of heaven beyond any she experienced on earth. God bless all of you,as angels surround your hearts and minds with comfort. How thankful God has given all permission to grieve in any manner and time span. I shall pray for all of you.
