“ Dear Randy, Dan and Cory ,
We are so sorry to hear of the passing of your brother.
We would see Tim at Brady's and nod our heads as a form of silent but respectful greeting.
When you had your Mother's house up for sale we were interested in looking at it.
We pulled up in front and Tim was there to greet us.
We were so pleased to see that it was Tim, someone we knew, who was helping to sell the house.
We must have spent an hour or more touring your Mothers' s house and listening to Tim's stories about your Mother and you guys.
Sorry to say, the house did not work out for us, but with that visit we got to know Tim a little better and he became more of a friend rather than just another patron of Brady's.
