“ *Karen,  
I met Todd just a little over a year ago. He took care of shoveling the endless mounds of snow at my parents house with no complaints. During one of his many days of moving the snow for my parents, he took the time to help me start an old snow blower. I didn't ask, he just did it. He was a very kind person and I enjoyed chatting with him whenever I seen him out walking his dog on Squaw Lake rd. He will be greatly missed. God Bless.*

“ *I had the privilege of knowing Todd for over 30 years. He was a wonderful guy, loads of laughs, tons of fun, no matter what we did. His laughter and personality were infectious. He was hard working, took care of business and went above and beyond to make sure everything and everyone was taken care of. Disregarding health issues, he often drove between Houghton Lake, Kalkaska and Lansing, in the middle of the night, to plow snow, again a reflection of his work ethics. He was selfless. Loved going fast on what ever he could ride. I look forward, Todd, for the day I can ride again and "Elvis" dance with you in heaven. I love and miss you, Todd.*

“ I was privileged to meet Todd about 15 years ago when I was a contractor for LAFCU and reported to him. We got to be pretty good friends over the years. I loved his sense of humor. He is and will be sorely missed. Rest in peace friend.
