“ Valery always had a smile and kind word for everyone she met. You could feel her absence when she left to go live at the Brook and you could hear people say I have is anybody heard anything from Valery? Now that she has gone to her eternal home, we know that she will be looking down and smiling her familiar Gracious smile.

“ *I have many wonderful memories with this amazing lady through St. Mary's. She is a beautiful soul inside and out. I know she will be missed terribly by many. Im blessed and thankful that our paths crossed in life and she taught me some of her talents like her Swedish blankets she was so well known for and all her prayer shawls. You inspired me in so many ways to be a better person.*
