“ *Dear Marsha, William, Jeff and Tonya
I am so sad to hear about "Wayney" . This brought back a flood of memories of our childhood and growing up together. We were unique and often laughed about the fact we were "double cousins" because a brother and sister of one family married a brother and sister of another family. Wayne was also so unpretentious, simple and modest.*

Though we did not see much of each other these last few years, many good memories are what we can hold on to.

After loosing our daughter 18 months ago we have learned that peace and pain of loss can co-exist and there will be purpose ahead. God is there to comfort us and cares about every details of our life. It was Wayne's time to be called home. Rest in peace cousin...

and Marsha and kids, we send our love and sympathy.

Blessings to you all. Bill and Vicki Wadsworth

“ I remember the first time I met Wayne I noticed his eyes sparkled when he smiled. I enjoyed his stories about his life, & inevitably it ended with a good laugh. It was evident how much he loved his family, & I was happy to be a part of it. Rest easy dear father in law.
