“ Bill was truly a good person; being both kind and generous. My son remembers him inviting us over years ago to watch an air show from his high-rise apartment so that he had a good view, and on Wednesdays we could stop in and watch the boat regatta with Bill on west bay. We will miss Bill and his gentle soul.

Lovingly,  
The Sumner family

“ Bill has been a part of my life since the day I was born. He was a big part of The Phillips family that originated from Fife Lake, Mi. Bill was best friends with my father William Joy Phillips “Bill” and always referred to me as his nephew. Since his parents passing, who resided in Arizona, he was lost and tried to find his way. He eventually made it up to the Traverse City area where not only me but Dee and Annie helped with getting him on his feet and his own place to live. After some unfortunate luck he ended up back to where it began. Fife Lake, Mi.. Anyone who knew him knew he was a kind, gentle bear. We will all miss him and will never be forgotten. R.I.P. your friends Shawn and Kristine.

*Have you been able to get ahold of any of his family and friends down near the Midland area? I spoke with his cousin and he was wondering what was going to happen with his personal affects, like his clothes and stuff.*
