

William Clare Hiscock Jr.

September 29, 1945 - October 18, 2024

William “Bill” Clare Hiscock Jr., 79 of Kalkaska, passed away peacefully at Kalkaska Memorial Health Center – Long Term Care. He was born on September 29, 1945 in Battle Creek to the late William Sr. and Vida (Williamson) Hiscock. Bill grew up in Battle Creek and after school started Hiscock Plumbing; owning and operating the business until he decided to close up shop and move to Naples, Florida. While in Florida he worked in property management and landscaping. After coming up to his property in Kalkaska for many years, he finally made the move full time. Bill loved Northern Michigan and all it had to offer, he especially enjoyed fall and early winter. Bill bartended at the Kalkaska Eagles Aerie 4496, where he was able to do what he did best, make people laugh. Bill loved his family dearly, especially his granddaughter Alexandria. Whenever she was in town the first night always included many games of UNO late into the night. Bill will be dearly missed. He is survived by his daughter Elizabeth (Mike) Malone; granddaughter Alexandria; grand pup, who he affectionately called “The Beast”, Dax; his sister Beverly (Chuck) Reitsma, and his niece Emily. He was preceded in death by his parents. The family would like to extend a thank you to all of Bill’s special friends at KMHC Long term care including Lynaia, Jasmine, Carter, Nikki, Teresa, and Stewart. Private services will take place. Arrangements have been entrusted to Kalkaska Funeral Home and Cremation Services.

“ As an employee of KMHC, I had the pleasure of serving William aka Bill his food at lunch. He would come into the small dining room also known as cedar street and have a fun time with us girls in dietary, working the service line. Bill was like a second grandfather to me. He was there for me when I lost mine in January, of this year. We shared a birthday together. The day he passed, I went home after that shift, and cried. I send my condolences to his family. He was a wonderful, fun loving man, I'm honored that I got to meet him, and had the privilege to serve him good food made with the love that the dietary department poured into it..

Bill is missed everyday, there isn't a day that goes by that we aren't thinking about him.
