“ Wellthis breaks my heart to know he passed in 2014. A year after I moved to Texas. Now I have an Apartment in Denver Colorado. I do miss Fife Lake and all of y'all. I've known Willie and Family since the late 80's when I was 8 or 9. He was always like an uncle in a way. He worked with my Step Dad Mike putting in Sprinklers in the ground back in the early or mid 90's. I will not forget Willie ever or the Family. Justin is my Brother always as well. I'm so terribly Sorry Deb, Justin, and everyone else! Love all of you. I think I'm gonna open my Facebook again to get in contact with my people so I know what is going on.. Love you all! Email me if you see this. So very sorry this is so late!
