“ You will be missed. The most memorable was when my niece Megan came over and we had dinner with you and we got done eating and you gave Rosie the dish to lick and put it in the cupboard and told her now its clean enough to put away. She was shocked and did not know what to say. Had many great times with you and such a great outdoors man. Many Walmart trips and trips to Burcilli's in Houghton lake. You did a great many things for the Twp also. Prayers to the family.
